This glossary gives the meaning of important keywords used on the contactalimentaire.com website . All documents of the site are indexed. By default, the keywords used for searching are concept keywords . They may also be part of the terminology used.

The keywords are listed in the *Thematic Library section*.

In this list, the keyword used for searching is the first word of each line; the other words of the line are either synonyms of the keyword, or similar terms, or further details. A search can be carried out using either natural or intuitive language, but if the search fails to produce a result , start again by using a keyword from the list.
